Loss of Coai 544. SHRI KALPNATH RAI: WiV the Minister of ENERGY be pleased to state:

(a) whether it is a fact that a large quantity of coal is lost in the transit from the coal mines to the destinations;

(b) if so, what are the reasons therefor and what arfl the estimated iOsse during the last tw. years ear-wise- and

(c) what steps are being contemplate'd by Government prevent such losses to future

THE MINISTER OF ENERGY (SHRI VASANT SATHE): (a) to (c) Coal companies sell coal on FOR colliery basis. After the coal is handed over to the Railways, it is not possible for the coal companies to have any control or assessment 0r loss of coaj in transit. However, the Railways have taken a number of steps to prevent the loss of coal during rail transit. These steps are:

(1) As far as possible, Railway Protection Force personnel are deployed to escort block-loads of coal wagons fa crime prone areas|sections.

(2) Vulnerable yards and affected places which are prone for thefts of coal are also patrolled by armed RPF men as well as by dog squads with a view *to* tracking down the criminals indulging in theft of coal.

(3) Fixed prickets are posted [deployed in vulnerable sections|black spots to prevent theft of coal from running trains.

(4) Crime Intelligence staff of the Railways and Central Crime Bureau of Railway Board are deployed to collect crime intelligence about the activities of coal thieves and receivers and conduct raids on them for the recovery of stolen coal and arrest of criminalsjrecei-vers.

Discovery of Oil Resources....

545. SHRI KALPNATH RAI; Will the Minister of PETROLEUM AND NA TURAL GAS be pleased to state;

(a) whether any new oil resources were, discovered in the off-shore regions and within the country during 1986;
